FINISHES

Polished Finish

High-gloss sensitivity, clear and high-grade, timeless classic finish texture is clearly visible.

FINISH 01

FINISH 02

Silky Finish

The touch is as soft as silk, visually rich and elegant, bringing a warm and advanced feeling.

Natural Finish

It has a peaceful and tranquil atmosphere, and has the feeling of falling generously without losing its elegance.

FINISH 03

FINISH 04

Digital Structured Finish

The "smooth and uneven" texture of the surface, which presents different dynamic effects through the light, makes people linger.
